# Ketchup

Ketchup is made from ripe tomatoes picked and processed the same day. That's why it has such nice natural taste and fragrance. Doesn't contain any GMO, dyes and preservatives.

**Delicate** has a very soft taste that is popular & much desired by the whole family

**Grill** the best Ukrainian tomatoes and spices will give unrivaled flavor for meat and poultry

## Light

Bright tomato flavor with an extract of the stevia leaf. Stevia extract in the ketchup replaces sugar.

**Tomato** classic taste of ripe tomatoes, warmed by hot Ukrainian sun. Ideal for your favorite sandwich

**Chili** juicy Ukrainian tomatoes combined with burning red pepper - for thrill-seekers.

## Red Hot

Bright sharp taste with fresh pepper aftertaste. The acuteness of this special kind of ketchup is given by jalapeno pepper.

**Delicate for Kids** made especially for children & according to a special recipe; without starch.

**Yellow** Unique ketchup, only this manufacturer grows yellow tomatoes for producing ketchup.
